

# COACHE Results

On behalf of the Campus Life and Facilities Committee, we invite you to complete this survey, so that we can better understand your needs and perspective regarding on-campus facilities including the function and utility of classrooms, the equipment used in classrooms, and how clerical and administrative support you in resolving issues around classroom space and equipment. This information will be used to help us better understand your needs once we are able to return to campus.

## CLASSROOMS:

The following seven questions are to gauge your perspective on the classrooms where you teach on campus.

1 Please identify the buildings and classrooms where you teach:

2 Rate the **ventilation and air quality** in the classrooms where you teach.

- Poor
- Fair
- Good
- Very Good
- Excellent
- Not Applicable

2a Please describe the problems and the location in which these problems occur.

3 Rate how well the **lights, electricity, and the electrical outlets** function in the classrooms where you teach.

- Poor
- Fair
- Good
- Very Good
- Excellent
- Not Applicable

3a Please describe the problems and the location in which these problems occur.

4 Rate how well the **shades and windows** function in the classrooms where you teach.

- Poor
- Fair
- Good
- Very Good
- Excellent
- Not Applicable

4a Please describe the problems and the location in which these problems occur.

5 Regarding the time it takes to process your work request specific to the classrooms where you teach, how happy are you with the time it takes for the administration to resolve these work requests

- Poor
- Fair
- Good
- Very Good
- Excellent
- Not Applicable

5a Please describe the problems and the location in which these problems occur.

6 Rate **the condition of the furniture** in the classrooms where you teach.

- Poor
- Fair
- Good
- Very Good
- Excellent
- Not Applicable

6a Please describe the problems and the location in which these problems occur.

7 Rate **the conditions of the finishes** including the walls, floors, etc...

- Poor
- Fair
- Good
- Very Good
- Excellent
- Not Applicable

7a Please describe the problems and the location in which these problems occur.

- Poor
- Fair
- Good
- Very Good
- Excellent
- Not Applicable

8a Please describe the problems and the location in which these problems occur.

9 In view of the pandemic, are there any other concerns or accommodations that you have to returning to teach in the classroom?

**Equipment:**

The following three questions are to gauge your perspective on the technological equipment in the classrooms where you teach.

- 10 Rate **the efficiency in regard to how the technology functions and how frequently technology is updated (i.e. computers, programs on computers)** in the classrooms where you teach
- Poor
  - Fair
  - Good
  - Very Good
  - Excellent
  - Not Applicable
- 11 Rate **the access to, and stability of the internet** in the classrooms where you teach.
- Poor
  - Fair
  - Good
  - Very Good
  - Excellent
  - Not Applicable
- 12 Rate **the ways in which Smartboards and/or Bluetooth connectivity operates** in the classrooms where you teach.
- Poor
  - Fair
  - Good
  - Very Good
  - Excellent
  - Not Applicable
- 13 Rate the quality of the technology equipment provided in the classrooms where you teach.
- Poor
  - Fair
  - Good
  - Very Good
  - Excellent
  - Not Applicable

14

What equipment in particular should Lehman offer to best teach course content?  
Please specify the needed equipment for the specific courses in which you teach.

## CLERICAL/ADMINISTRATION SUPPORT:

The two questions are to understand how clerical staff and administration support your needs in regard to campus facilities.

- 15 Do you feel comfortable going to the administrative staff regarding your concerns?
- Yes
- No
- Not Certain
- 16 Are there clerical staff or college laboratory technicians (CLT) available to assist with classroom/office related issues? Do you know the process of how to get assistance?
- Yes
- No
- Not Certain
- 17 Are you aware of the processes in place to submit a work request for items or technology in a classroom to be repaired?
- Yes
- No
- Not Certain
