Pfizer R&D Career Panel

Join the session to expand your knowledge about careers within **Research and Development**. This is a great opportunity to discover how Pfizer's innovators transform bold ideas into real-world solutions. During the event attendees will be able to hear firsthand from the minds driving cutting-edge research, tackling big challenges, and shaping the future of health. By attending the session you will also learn about Pfizer's full-time two-year rotational program.

The Event

 Tuesday, September 9th

 2:00PM – 3:00PM

 Virtual Event

About the Program

The Pfizer R&D Rotational Program is a 2-year commitment, designed to immerse participants into pharmaceutical research and clinical development operations through four unique 6-month job rotations in diverse disciplines.
