

Health Education

Master of Science in Education

The profession of teacher education is licensed by the New York State Education Department. This degree is approved by New York State Education Department as a fully online program. This program is designed for students seeking a master's degree to teach health education in schools. Graduates of this program are recommended for New York State Initial or Professional Certification in Health Education (Pre K-12). Students are supervised in their fieldwork and student teaching by faculty members of the Health Education program in the Department of Health Sciences. Advisement is provided by the Program Director and faculty members of the Health Education program in the Department of Health Sciences and/or the School of Education. This is a fully online program.

ADMISSIONS REQUIREMENTS:

- Official transcripts from **all** post-secondary institutions attended
 - Have attained a bachelor's degree or its foreign equivalent from an accredited college or university
 - Have attained a minimum undergraduate grade point average of 3.0
- Three letters of recommendation
- A 500-word essay outlining intellectual and academic interests, accomplishments, and career objectives
- Current professional resume
- For Sequence 1 admission, possess New York State teacher certification in an area other than health education
- For Sequence 2 admission, possess New York State teacher certification in health education

DEGREE REQUIREMENTS

- Students must consult with the graduate adviser in the health education program before starting their Master's Program. During their first semester, matriculated students are required to plan their graduate program with an adviser in the health education program.
- Students must complete one of the two sequences outlined below:
 - Sequence 1 (39 credits): For students who already possess New York State certification in another subject and who seek certification in Health Education Pre K-12.
 - Sequence 2 (30 credits): For students who already possess New York State certification in Health Education and who seek professional certification in Health Education Pre K-12.
