

Nursing - Family Nurse Practitioner

Master of Science in Nursing

The Master of Science degree in **Family Nurse Practitioner** program at Lehman College is accredited by the Commission on Collegiate Nursing Education (<http://www.ccnaccrreditation.org>). The MS/ FNP program follows a Cohort Model and is designed for full-time commitment, allowing students to attend classes on campus for just one day a week to ensure successful completion. With a variety of clients in community and health settings, the program prepares nurses for advanced practice. The graduates of this program are qualified for NYS license as a nurse practitioner and eligible to take the national certification exam in their specialty area.

ADMISSIONS REQUIREMENTS

- Official transcripts from all post-secondary institutions attended
