Bell Schedule
Kindly review and incorporate the bell when scheduling your class sections.
Summer Bell

Modes of Instructions
The University determines and defines how courses are offered university wide. Click on the link for the updated Modes of Instruction.

Coursedog
All Course scheduling will continue to be done on this platform. The Registrar Schedulers will continue to support and train departments and/or schools as necessary. Kindly contact us if you need additional training. You can also access the scheduling guide by clicking on the link below:
Coursedog Functional Guide - Department Schedulers

To log into Coursedog, click on the link and use your CUNYfirst credentials:
