

Action Plan Update

Timing: 2 Years After the Action Plan was Agreed e.g., during AY 2023-2024 for action plans agreed during AY 2021-2022. *Add additional rows, if necessary.*

Program: Anthropology

Academic Year of Program Review: 2021-2022

Academic Year of Action Plan: 2025-2026

Dean: D. Pantalone

Chair: W.E.H. Harcourt-Smith

Action	Responsible Party or Parties	Financial Resources Used (if applicable)	Mid-Term Status (Achieved/Partially Achieved/Not Achieved/Not Done)	Next Steps	Explanation (if applicable)
Tenure-track hires in Biological Anthropology and Archaeology	Provost NSS Department		Partially Achieved	Review Applications and organize interviews for Bio Anth line after October 20 th ; work on justification for Archeo hire	Bio Anth line hire is in process. Archaeology line not approved yet.
Increase Lab Space for collaborative work	Provost NSS Department VP Administration & Finance		Partially achieved	Clear out and renovate new lab for new faculty member	Lab will be situated next to Dominguez lab (Davis 019), which provides a collaborative environment
Address issues related to Dominguez lab (Davis 019)	Provost NSS Department VP Administration & Finance		Achieved	Continue to monitor HVAC for any issues	

Develop interdisciplinary pathways programs similar to the ABC program with the social sciences and MS and PhD programs in the New York area	Department NSS		Not achieved	Follow-up meetings with relevant stakeholders	We have had several preliminary meetings with the Med School coordinator about a Masters program, and have a follow-up meeting in the pipeline for late October 2025; discussion on PhD programs have just begun.

Additional Information: Please describe any assessment-related changes and the impacts of those changes that have taken place since the most recent Program Review:

The biggest change has been the approval of a biological anthropology line for the department, as well as assignment of new lab space associated with that line. This will have considerable positive impact on the department. We will have a more collaborative environment, and a new researcher with exciting new research foci, leading to increased opportunities for students.

Note: All action plans can be found on the [Lehman College website](#).
