Introduction

The Lehman College Data Book contains a 10-year history of both undergraduate and graduate student enrollment, performance, and persistence. Also included is information on student demographics, FTEs, minors, declared majors, faculty and staff, budget, financial aid, library, and space inventory. A Table of Contents lists all charts and tables. All of the student information is drawn from the IRDB*, which is maintained by The CUNY Office of Institutional Research and is the official source of enrollment information for the University.

Glossary

Undergraduate Transfer Students. Matriculants in any undergraduate degree program who have previously earned credit toward this degree for course work completed at another college, including CUNY institutions. Internal transfers (students enrolled in the previous semester on a nondegree basis who matriculate for the first time in the current semester at the same college) and undergraduate readmits are not counted as transfer students.

Age. Age is calculated as of the beginning of each fall semester.

Average Credits. Includes only credits applicable toward a degree.

Average Equated Credits. Includes credits and remedial, compensatory, and developmental course hours.

College Admissions Average. Students' cumulative average in high school in college preparatory course work. The average is computed on a basis of 0 to 100. Only grades in college-preparatory courses are counted.

Class / Class Standing. An indicator of degree progress based on cumulative degree credits earned prior to the current semester. For undergraduates, class standing is calculated as follows: 0 to 27.5 credits -- freshman; 28 to 60.5 credits -- sophomore; 61 to 93.5 credits -- junior; 94 or more credits -- senior.

First-time Freshmen. Students matriculating for the first time in an undergraduate degree program who have not previously earned credit toward this degree from any college or university. Students who enroll as first-time freshmen during a summer session are counted as first-time freshmen in the following fall term.

First-time Graduate Students. Students matriculating for the first time in a graduate degree program.

Full-time. Students taking 12 or more credits and remedial hours are considered full-time.

Full-time Equivalent (FTE). A standardized measure of enrollment equal to a full-time load of credits and hours. Undergraduate FTEs are calculated as the total of credits and remedial, compensatory, or developmental hours associated with course enrollment divided by 15. Graduate FTEs equal credits divided by 12.

High School Units. A unit is equal to one year of study. For example, one unit of math equals one year of math; one-half unit of English equals one semester of English.

Lower Division / Upper Division. For the purpose of categorizing enrollments, students are sometimes classed as lower division (freshmen and sophomores) or upper division (juniors and seniors).

Nondegree Enrollment. Nondegree students are enrolled in credit-bearing courses, but are not matriculated in a degree program. Nondegree students are not eligible for financial aid. Nondegree enrollment is a component of total enrollment reported here.

Race / Ethnicity. Since the Fall of 1988, CUNY has gathered information on race and ethnicity from its application form. Students are asked which category best describes them: Black, White, non-Hispanic, Hispanic, Asian or Pacific Islander, American Indian or Alaskan Native.

Readmitted Students. Returning students who have previously attended and left the college.

Residency. The county, state, or country of which the student is a legal resident.

SEEK Program. Students are eligible for the SEEK Program (Search for Education, Elevation and Knowledge) at CUNY's senior colleges -- if they are academically or economically disadvantaged, have a high school diploma or GED, and have not previously attended a college or university.
