** In order to earn a New York State teaching credential with a bilingual extension the candidate must pass the following FIVE exams: 1) Educating All Students Test (EAS), 2) Content Specialty Test (CST) – Math, 3) CST – Literacy, 4) CST – Arts & Science, 5) Teaching Performance Assessment (TPA) **

**** In order to earn a New York State (NYS) teaching credential, you must earn a B or higher in ALL graduate level education coursework – this includes all EDE 700 level courses. ****

*****For New York State (NYS) initial certification, students are required to complete course credits in liberal arts & sciences in “Content Core” categories. For these categories, it is mandatory to complete a minimum of *6 credits of college level natural science (scientific processes), *6 credits of college level math, *6 credits of college level social sciences (concepts of history and social sciences), and *6 credits of college level courses in English/written analysis & expression. Below are lists of options at Lehman that meet these mandatory category requirements. ONLY A GRADE OF C OR HIGHER IN THESE COURSES WILL MEET NYS TEACHER CERTIFICATION REQUIREMENTS.*****
