

Upload a Video to YouTube

1. Go to <https://www.youtube.com/>

2. Create a YouTube account or sign in with an existing Gmail account.

3. After logging in, click on the camcorder icon on the top right corner of your screen and select “Upload video”.

4. If this is your first YouTube account, YouTube will prompt you to create a “Channel” in order to upload your video.

Choose how to create your channel

Use your name

Create a channel using the name and picture on your Google account.

Your Name

By selecting this option, you agree to [YouTube's Terms of Service](#).

SELECT

Use a custom name

Create a channel using a brand or other name and picture.

SELECT

As a reminder, we may share non-personally identifiable information related to your channel and/or videos with our partners, including advertisers and rights holders.

CANCEL

5. Click on “Select files” and upload a chosen video to YouTube.

Upload videos

 UPLOAD WITH CLASSIC ×

Drag and drop video files to upload

Your videos will be private until you publish them.

SELECT FILES

By submitting your videos to YouTube, you acknowledge that you agree to YouTube's [Terms of Service](#) and [Community Guidelines](#).

Please be sure not to violate others' copyright or privacy rights. [Learn more](#)

6. You can title your video and add a description located in the bottom text box as the video is uploading.

Audience

Is this video made for kids? (required)

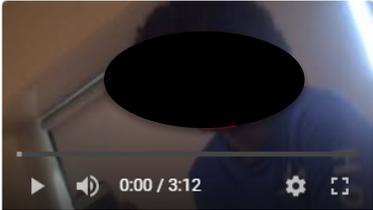

Regardless of your location, you're legally required to comply with the Children's Online Privacy Protection Act (COPPA) and/or other laws. You're required to tell us whether your videos are made for kids. [What's content made for kids?](#)

Yes, it's made for kids

 Features like personalized ads and notifications won't be available on videos made for kids. Videos that are set as made for kids are more likely to be recommended alongside other kids' videos. [Learn more](#)

No, it's not made for kids

Make Your Video Private

After Step 7, click the “Next” button and on the “Visibility” page, you can choose to either make the video private, unlisted, or public.

The screenshot shows the 'Visibility' settings page for a video titled 'Mock vid'. At the top, there are three progress steps: 'Details' (checked), 'Video elements' (2), and 'Visibility' (3). The 'Visibility' section is active and contains the following options:

- Save or publish**
Make your video **public, unlisted, or private**
- Private**
Only you and people you choose can see your video
- Unlisted**
Anyone with the video link can see your video
- Public**
Everyone can see your video
- Set as instant Premiere ?

On the right side, there is a video player showing a blurred video with a black circle over the center. Below the player, the video title 'Mock vid' and a partially visible video link 'https://youtu.be/s...' are shown. At the bottom of the page, there is a status bar with 'Finished processing' on the left and 'BACK' and 'SAVE' buttons on the right.

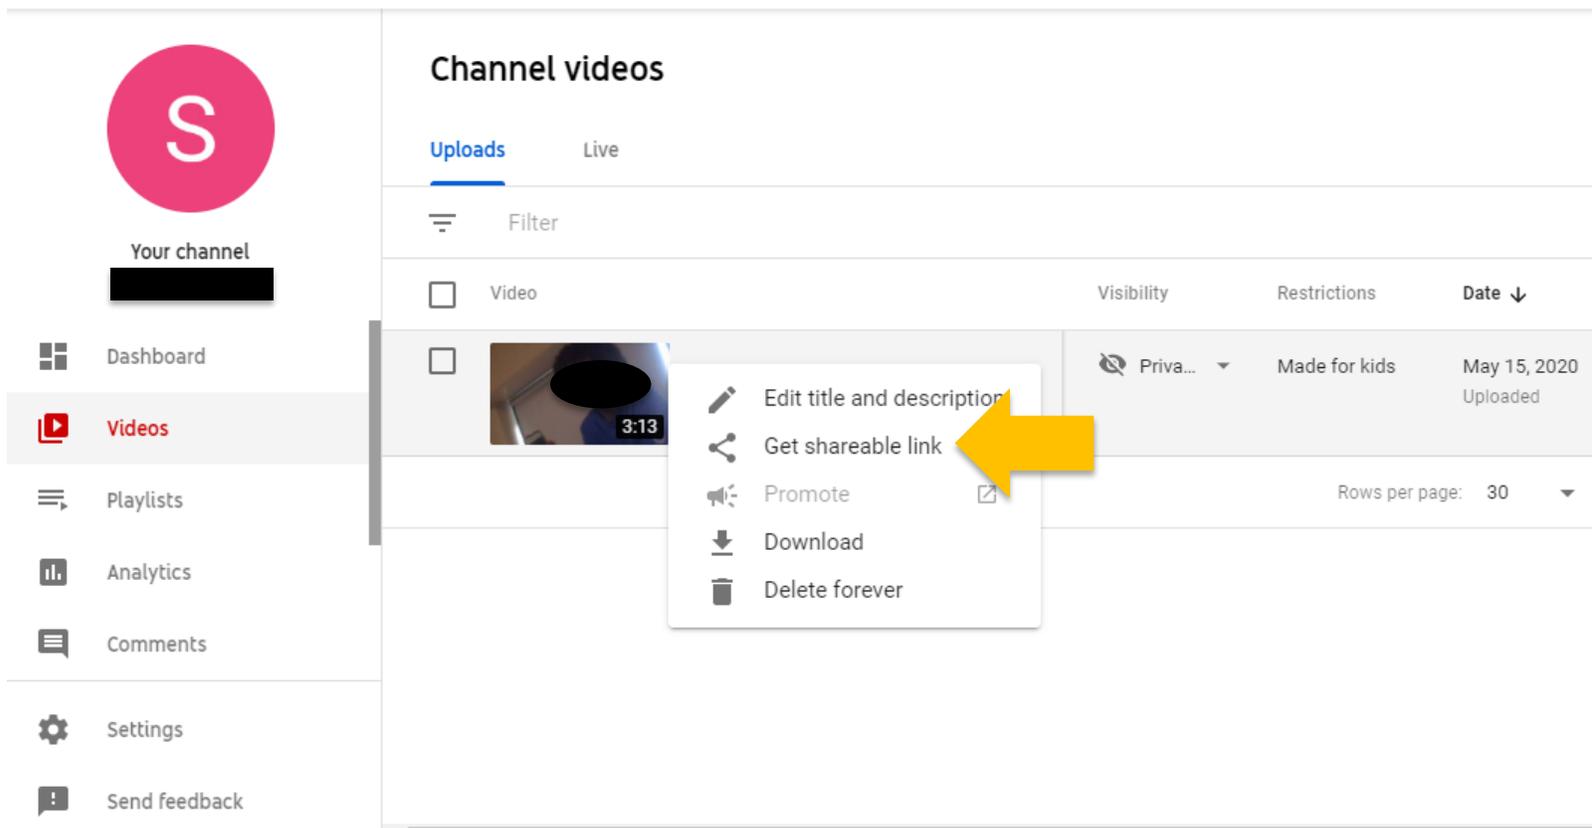

8. Click the “Save” button and you will be sent back to your YouTube dashboard.

The screenshot displays the YouTube Studio interface. At the top, there is a search bar and a 'CREATE' button. The left sidebar contains navigation options: Dashboard, Videos (highlighted), Playlists, Analytics, Comments, Settings, and Send feedback. The main content area is titled 'Channel videos' and has tabs for 'Uploads' and 'Live'. Below the tabs is a 'Filter' button. A table lists channel videos with the following columns: Video, Visibility, Restrictions, Date, Views, Comments, and Likes (vs. dislikes). The table contains one entry: a video titled 'Mock vid' with a duration of 3:13. The video is Private, Made for kids, and was uploaded on May 15, 2020. It has 0 views and 0 comments. At the bottom of the table, there are pagination controls showing 'Rows per page: 30' and '1-1 of 1'.

Video	Visibility	Restrictions	Date ↓	Views	Comments	Likes (vs. dislikes)
<input type="checkbox"/>  Mock vid Add description 3:13	<input type="checkbox"/> Private	Made for kids	May 15, 2020 Uploaded	0	0	

Share a link to this private video

9. Now that your video is uploaded and private, click on the **three dots** next to your video on your YouTube dashboard. Click on **get shareable link** and YouTube will generate a shareable link to the private video you created.

The screenshot displays the YouTube Channel Videos dashboard. On the left is a navigation sidebar with a channel icon (a pink circle with a white 'S') and the text 'Your channel' above a black redaction bar. The sidebar includes links for Dashboard, Videos (highlighted in red), Playlists, Analytics, Comments, Settings, and Send feedback. The main content area is titled 'Channel videos' and has tabs for 'Uploads' and 'Live'. Below the tabs is a 'Filter' button. A table lists channel videos with columns for 'Video', 'Visibility', 'Restrictions', and 'Date'. The first video row is highlighted, and a context menu is open over it. The menu items are: 'Edit title and description', 'Get shareable link' (indicated by a yellow arrow), 'Promote', 'Download', and 'Delete forever'. The video's visibility is set to 'Private', its restriction is 'Made for kids', and it was uploaded on 'May 15, 2020'. A 'Rows per page: 30' dropdown is visible at the bottom right of the table.

Video	Visibility	Restrictions	Date
