Step 3. Schedule your exam through Prometric

- Complete the registration steps in the HESI NG platform.
- If you require testing accommodations, request them as part of the HESI registration process.
- After completing the HESI registration steps, you will be directed to Prometric.
- At Prometric, select your testing date and time, then proceed to payment.
- After scheduling, you can view your appointment, reschedule, or cancel through your HESI NG course.

Important dates and policies

Registration period	November 2, 2026 – February 15, 2027
Second testing begins	February 2, 2027
Application deadline	March 15, 2027. Exam results dated after this date will not be accepted.
Score validity	HESI-A2 score reports are valid for one year. Reports older than one year from the nursing application deadline will not be accepted.
Maximum attempts	Applicants may take the HESI-A2 up to two times per admission cycle.

If you do not meet the minimum score requirements in each subject area after two attempts, you may reapply during the next admission cycle and retest.

Cancellation and refunds: Depending on how far in advance you cancel your exam, you may not be eligible for a full refund. Review the cancellation terms during the Prometric scheduling process.

Need help? For technical or registration issues, contact Elsevier Evolve Support. For the latest testing information, visit the Prometric website.

Please review all registration details carefully before submitting your exam registration.
